## Insights

Our 16th annual Mahoning Valley Miniature Bridge Building Competition will be held at Youngstown State University on Thursday, February xx, 2024. **Twenty-six** bridge building teams from **thirteen** Mahoning and Trumbull County schools competed in our last event.

We are seeking your help in making this year's event an even bigger success with a fun-filled day of learning for **Mahoning and Trumbull County high school students**. Our goal is to promote an awareness of civil engineering as a career choice to students, and to provide students with an educational opportunity to apply their knowledge to a real world application.

All monetary donations or volunteer assistance is greatly appreciated. Your company will get positive exposure and you will be doing a great service to the youth of the valley. As an important business leader, we respectfully request your consideration to help sponsor this endeavor.

## County Engineers
