# Mahoning Valley Miniature Bridge Building Competition

Patrick T. Ginnetti, PE, PS, Mahoning County Engineer | Randy L. Smith, PE, PS, Trumbull County Engineer

## 2019 MVMBBC Scholarship Instructions

Scholarships will be awarded to students currently pursuing a degree in Civil Engineering or Civil Engineering Technology. Two \$1,000 scholarships will be awarded.

### Qualifications:

- Must have participated in the Mahoning Valley Miniature Bridge Building Competition during high school.
- Must be currently enrolled at Youngstown State University and have a sophomore standing.
- Must be pursuing an undergraduate degree in Civil Engineering or Civil Engineering Technology.

### Application Process:

Applicants shall submit the following:

- MVMBBC Scholarship Application
- Personal Statement/Essay – in 500 words or less, explain your interest in an engineering career, and how you believe you can make a contribution to the engineering field. Relate your participation in extracurricular activities, including community and school involvement and work/volunteer experience.
- A Letter of Reference from a non-relative, preferably a professor.

### Criteria for Selection:

- Candidates will be evaluated on their personal statement/essay.
- Candidates must exhibit community and/or school involvement.
- Work experience, volunteer experience and leadership will be considered in the selection process.
